Dear Mr. Stevens:

This letter is to inform you that the Bureau of Land Management (BLM) in concurrence with the Utah Division of Oil, Gas and Mining (DOGM) has determined that the \$6000.00 reclamation surety being held for your previous small mine operation (BLM, U-77778) is no longer needed. The entire small mine has been encompassed by your approved large mine (BLM U-77815, DOGM M/045/0060) and this operation has an appropriate surety in place.

If you have any questions, please contact Larry Garahana of my staff at (801) 977-4371.

Sincerely,

Michael G. Nelson  
Assistant Field Manager
